

The Boston Common Frog Pond

School Group Reservation Form

2025-2026 Season

Dear Skating Enthusiasts,

To provide your group with a safe and pleasant skate, we ask that you please review the enclosed rules carefully and that you familiarize your group with them prior to your visit to the Frog Pond. Proper supervision of your school group is essential. Please staff your field trip accordingly. Staffing and supervision requirements are detailed on the registration form.

Here are a few suggestions to help your event run smoothly:

- Depending on the age(s) of the group, children may need help putting on and lacing their skates. This can be very time-consuming and may call for more chaperones than we normally require. Skates should always be laced snugly, using all hooks or eyelets, and some children require assistance getting their skates tight enough. Please encourage your chaperones to check each child's skates before they step onto the ice.
- Please encourage children to check with their parents or guardians for their shoe size. This will help to minimize guesswork and size exchanges at the rental counter. Less time at the counter means more time for on-ice fun! Another option is to include this information on the permission slip that is sent home. European and Asian sizing are fine!
- Helmets are strongly recommended. There are no helmets available to rent so please bring your own!
- Please also encourage your students to bring or wear hats/mittens/gloves/jackets!
- Please book early! Dates are assigned on a first-come, first-serve basis.

Please review the registration form carefully. Fill it out completely (and legibly) to expedite the process. Schools requesting multiple dates/times must submit a separate form for each group.

Schools may not send more than one group per week. Afterschool groups may come as often as they like. Groups that cancel a booking may not be allowed to reschedule this season. School Group rates are available for schools within the state of Massachusetts only. Discounted rates are available for the students in the group and a reasonable number of chaperones. Additional parents who attend will be charged regular rates.

To secure your skating date, please complete the following registration form and waiver ('rink rules') and email it to: frog.pond@scboston.org.

All reservations must be requested **and confirmed** in advance to receive special rates.
